HON'BLE SRI JUSTICE R.SUBHASH REDDY

W.P.No.22127 of 2006

ORDER:

Heard both sides.

The petitioner appeared for the common entrance test for admission into B.Ed. course for the academic year 2006-07. The question papers in the entrance test were arranged in four different series viz., A, B, C and D, and the questions in all the series are same but they are arranged in different order. It is the grievance of the petitioner that he was given 'D' code question paper, but subsequently the invigilator took back the same and given another question paper with 'C' code. It is the case of the petitioner that he had spent valuable time by answering

'D' code question paper and the said question paper has to be valued.

This Court by order dated 30-10-2006 had directed the respondent to value 'D' code question paper only answered by the petitioner in the common entrance test, pending further orders. It is stated that in compliance of the said order, 'D' code question paper was valued and the petitioner was given a rank in the said

entrance test.

On instructions, it is not disputed that initially the petitioner was given 'D' code question paper only. Inasmuch as there was no mistake on the part of the petitioner and as 'D' code question paper

has already been valued, I dispose of the writ petition confirming the rank given to the petitioner pursuant to the valuation of 'D' code question paper for the purpose of admission.

Subject to above direction, the writ petition is disposed of. No order as to costs.
